About the Opportunity:

LOCOG is inviting contractors to participate in an Expression of Interest (EOI) exercise for the supply and installation of Hostile Vehicle Mitigation (HVM) measures. This opportunity in detail is for the supply, design development, installation, removal and re-instatement of unspecified HVM measures to a number of venues nationwide.

Description The purpose of this (EOI) exercise is to understand the capability and capacity of the supply chain to help inform the most appropriate packaging and scope for future tender and delivery.

Prospective suppliers should note that LOCOG's requirements are temporary at all Venues. It is LOCOG's desire to minimise any capital outlay by maximising the use of rental and purchase/buy back arrangements.

About the buyer's selection process:

Responses to these CompeteFor questions will be evaluated and a shortlist of potential suppliers will be prepared. Successful applicants will be those which, in LOCOG's sole opinion, are most capable of

fulfilling LOCOG's requirements as set out in this opportunity.

Successful shortlisted suppliers will be e-mailed with details of next steps after the opportunity has closed on CompeteFor. In addition to responding to these questions on CompeteFor, applicants should be prepared to provide evidence to their responses, in the event of being shortlisted.

Bidders should note that LOCOG may manage the next phase of the procurement process online using our eTendering system.

LOCOG operates a fair and transparent procurement process. Further information on that values that underpin LOCOG procurement can be found in our Diversity and Inclusion Business Charter, available here on the London 2012 website:

LOCOG's view of value for money is different to that of some other companies. In support of our vision for London 2012 (as described in the 'About the buyer' section below), we must consider a broad range of criteria when assessing proposals from bidders. As such, LOCOG defines value for money on the basis of a range of criteria, namely:

- Quality, delivery and disposal
- Commercial
- Sustainability
- Diversity and inclusion
- Legal, financial, health and safety

For further information about LOCOG and our procurement process, please read the LOCOG Invitation to Tender (ITT) Part 1 which is available on the London 2012 website:
