Description	<p>About the Opportunity: Project to modify an existing Microsoft SharePoint intranet site so that it can be deployed as an extranet.</p> <p>ODA Transport has a SharePoint instance, known as The Works, which is available to all their staff via the ODA network. It is used to share and manage a variety of information and processes. This project will enable access to The Works for certain named individuals from ODA Transport stakeholders, via the internet, and to make all necessary modifications to The Works to facilitate this access.</p> <p>About the buyer's selection process: The Olympic Delivery Authority will award contracts to businesses that reflect London 2012's procurement policies and values. Value for money on costs, time, quality, design and functionality, the promotion of equality and diversity, environmental responsibility, and legacy are key values that embody the ODA's procurement objectives.</p> <p>Following shortlisting conducted on the CompeteFor system, you will</p>

be required to submit a quote directly to the ODA project manager. You will be instructed further on this process following shortlisting.

During the procurement process suppliers may be required to provide supporting evidence within 24 hours, there may also be an additional stage added following shortlisting and prior to the quotation stage.

Post the Tender closing date, all suppliers will be notified of their status via email and will be able to view who the opportunity was awarded to.

About the buyer:
