Successful shortlisted suppliers will be e-mailed with details of next steps after the opportunity has closed on CompeteFor. In addition to responding to these questions on CompeteFor, applicants should be prepared to provide evidence to their responses, in the event of

Bidders should note that LOCOG may manage the next phase of the procurement process online using our eTendering system.

LOCOG operates a fair and transparent procurement process. Further information on that values that underpin LOCOG procurement can be found in our Diversity and Inclusion Business Charter, available here on the London 2012 website:

LOCOG's view of value for money is different to that of some other companies. In support of our vision for London 2012 (as described in the 'About the buyer' section below), we must consider a broad range of criteria when assessing proposals from bidders. As such, LOCOG defines value for money on the basis of a range of criteria, namely:

- Quality, delivery and disposal
- Commercial
- Sustainability
- Diversity and inclusion
- Legal, financial, health and safety
